

# DANZA DUENDE

Dancing your life!

"When consciousness shines the Duende begins. If Art can be Duende, life can be Duende too!"

## SACRED DANCE "SEMM" by YUMMA MUDRA

"SEMM" is a dance in Circle, in the form of a Mandala, that was created by Yumma Mudra with the intention to manifest a prayer for Peace by dancing in public.

To dance "SEMM" you can simple follow the movements but that is not enough. Each move is subtle and codified.

In order to study these details, Yumma created a workshop centered on the study of this dance and of the technics that are behind the gestures.

"SEMM" seems extremely simple and elegant. it lasts only 3 minutes but you find concentrated in its choreography many of the teachings of Oriental Duende .
